YOUTH WITHOUT LIMITS

All you need is the participant's eDofE ID number, their Award level (Bronze, Silver or Gold) and the section you are assessing them for (Volunteering, Physical, Skill, Expedition or Residential). Please ask the young person you have been supporting for these details. The young person must have entered their section details in eDofE before you can submit your report.

Your comments automatically go to the participant's DofE Leader for approval before being added to the participant's account. We ask for your email address and phone number to enable their DofE Leader to contact you should they wish to discuss your assessment with you and so we can send you a copy of the report you submit.

Thank you for supporting young people with their activities. Please read our Privacy Statement for information on how your personal information is secured.

Note: If you have a problem with the CAPTCHA code, please use a different device/network/browser and this should solve the issue. If not, please contact edofe@DofE.org.

What to include in your Assessor's Report

- Download a **checklist** of the information an Award Verifier will look for when reading your report. Please try to include as much of this information as possible in your report.

- Please include the start and end dates between which the young person undertook their activity.
